

A DAY'S WORK, LLC

\$79,900

Portable business can be located anywhere in US. Currently located in Ocala, FL. Husband and wife team does woodworking and shipping throughout the continental US. Mainly sells wholesale to distributors. Inquiries through website indicate a potential overseas market. All products are unique and created by owners (over 65 original designs). Buyer must have an interest in woodworking. A Day's Work is a niche business which manufactures wooden musical instruments and helpful devices for the large population of persons with special needs. Handicapped persons limited in their ability to play musical instruments are aided in their efforts by the instruments and instrument holding devices created by the owners of this company. This unique inventory is created and manufactured to meet the needs of handicapped students and teachers in elementary classrooms, and is also helpful for parents of disabled, music therapists, special education teachers, occupational therapist and elder care providers. Current sales are approximately 5% retail and 95% wholesale to distributors with music education catalogues and websites. Price Includes all woodshop equipment, inventory, intellectual properties, website, catalogues, bar codes, and customer lists. Construction training will be provided at no cost for an agreed upon period of time. Shop building not included but available for additional cost.

- Recorder storage for elementary classrooms
- Drum securing devices for striking
- Chimes for desk top or held by hand
- Pick Assist for the manually challenged to strum a guitar or harpsichord
- Storable and collapsible classroom music stands
- Multi Instrument Holder to secure musical instruments for the wheel chair bound
- Shakers with different sounds
